

# DELEGACIÓN A ALEMANIA 10 años de cooperación chileno-alemana

ALIANZA CHILENO-ALEMANA EN  
MINERÍA, MATERIAS PRIMAS  
MINERALES Y ECONOMÍA CIRCULAR

**10 al 15**  
septiembre

## Participant List

<b>Cornelia Sonnenberg (Head of Delegation)</b> .....	2
<b>Iris Wunderlich</b> .....	2
<b>Philippe Hemmerdinger</b> .....	3
<b>Pablo Ciesla</b> .....	3
<b>Mirco Hilgers</b> .....	3
<b>Marcelo Celis</b> .....	4
<b>Alvaro Castellon</b> .....	4
<b>Teresa del Pilar Uribe Rodríguez</b> .....	4
<b>Elena Moreno</b> .....	5
<b>Evelyn Gutiérrez</b> .....	5
<b>Grace Melissa Leighton</b> .....	5
<b>Ruben Ocampo Romero</b> .....	6
<b>Zhiqiang Wang, Ph.D.</b> .....	6
<b>Carlos Silva</b> .....	6
<b>Dr. Josefa Ibaceta</b> .....	7
<b>Leonor Abujatum</b> .....	8
<b>Nicolás Fernández</b> .....	8
<b>Rafael Merino</b> .....	8

## ORGANIZATION AND DELEGATION MANAGEMENT

### **Cornelia Sonnenberg (Head of Delegation)**

Managing Director | AHK Chile

[csonnenberg@ahkchile.cl](mailto:csonnenberg@ahkchile.cl)

Cornelia has been Managing Director of AHK Chile for more than 15 years. In 2011 she was part of the founding process of the Chilean Competence Centre for Mining and Mineral Resources, one of the first German Competence Centres in the world, and in 2013 she was the driving force behind the first German-Chilean Cooperation Agreement for Mining and Mineral Resources. In Chile, she has been listed several times among the "100 Women Leaders".

### **Iris Wunderlich**

Project Leader Mining & Sustainability | AHK Chile | Women in Mining

[iwunderlich@ahkchile.cl](mailto:iwunderlich@ahkchile.cl)

Iris is responsible for AHK Chile's Mining & Sustainability Projects including The Chilean Competence Center for Mining and Mineral Resources. In 2023 she coordinated the renewal of the now called "German-Chilean Partnership for Mining, Mineral Resources and Circular Economy". She is an active member of Women in Mining Chile and ambassador for Women in Energy Chile.

## PARTICIPANTS

3

Philippe Hemmerdinger  
APRIMIN | President  
[phemmerdinger@aprimin.cl](mailto:phemmerdinger@aprimin.cl)

APRIMIN is the Chilean Association of Industrial Mining Providers. The association promotes the companies' interests, hosts events and works together with the most relevant public and private institutions of Chilean mining eco system. Philippe is the president of APRIMIN and particularly interested in sustainability and decarbonization/hydrogen/metals reprocess technology.

Pablo Ciesla  
Autoterm | Technology Consultant  
[pablo.ciesla@autoterm.cl](mailto:pablo.ciesla@autoterm.cl)

Pablo works at Autoterm as a technology Consultant. He is interested in topics such like automation and operational efficiency, sustainability in means of production, green hydrogen in industry, innovation in thermal processes.

Mirco Hilgers  
Baker McKenzie Ltda. | Lawyer | Partner  
[mirco.hilgers@bakermckenzie.com](mailto:mirco.hilgers@bakermckenzie.com)

Mirco, a Partner at Baker McKenzie, specializes in mining law and exhibits a keen enthusiasm for energy, mining, infrastructure, environment, and natural resources. He adeptly handles intricate mining and environmental legal matters, consistently delivering innovative legal resolutions that actively contribute to the promotion of sustainable development in Chile.

Marcelo Celis  
Bosch Chile | Managing Director  
[marcelo.celis@cl.bosch.com](mailto:marcelo.celis@cl.bosch.com)

4

Robert Bosch Chile and Rexroth Chile are important providers for innovative solutions in the mining industry such as IoT or intelligent, Hydraulic Drives and automation systems. Marcelo, CEO at Robert Bosch Chile and Rexroth Chile is interested in Mining technology in general, processes and productivity, also business models for lithium extraction and the use of artificial intelligence in mining production processes.

Alvaro Castellon  
CAP | Business Development Manager  
[acastellon@cap.cl](mailto:acastellon@cap.cl)

Alvaro is a senior executive with more than 18 years of experience in international companies mainly in the Mining and Metals sectors, leading business development, joint ventures, and commercial agreements. He is the leader of the first hydrogen prototype in the steel industry in Chile, a large decarbonization project in association with the German Düsseldorf based company SMS Group.

Teresa del Pilar Uribe Rodríguez  
CODELCO | Process engineer | Women in Mining  
[TUrib001@codelco.cl](mailto:TUrib001@codelco.cl)

Teresa is a process engineer working at Radomiro Tomic División of CODELCO (Corporación Nacional del Cobre de Chile), the state-owned Copper Company of Chile and one of the largest copper producers worldwide. Teresa's topics of interests are green hydrogen and environmental technologies.

**Elena Moreno**

Corporación Altaley | Development & Project Manager

[elena.moreno@corporacionaltaley.cl](mailto:elena.moreno@corporacionaltaley.cl)

The Alta Ley Corporation is an organisation aimed at articulating the existing capacities of public and private entities and organisations in the mining industry, with the purpose of promoting and fostering the development of the sector, to improve the competitiveness and sustainability of the mining business. Elenas topics of interest are new technologies for mining and smelting, circular mining, decarbonisation, linking with electromobility companies

**Evelyn Gutiérrez**

Civil engineer mining / MA environmental sciences | Women in Mining

[e-gutierrez@live.cl](mailto:e-gutierrez@live.cl)

Evelyn has worked for a major mining company in Chile as mine planner and is interested in all sustainability related topics concerning mining and resources.

**Grace Melissa Leighton**

GLENCORE (Lomas Bayas) | Operational Specialist | Women in Mining

[Grace.Leighton@glencore.cl](mailto:Grace.Leighton@glencore.cl)

Grace works at Lomas Bayas Division of GLENCORE. She is an Operational Excellence Specialist and interested in topics like pollution prevention, extraction technologies, sustainability and operation excellence.

**Ruben Ocampo Romero**

GLENCORE | Program Lead Energy Optimization

[ruben.ocampo@glencore.cl](mailto:ruben.ocampo@glencore.cl)

Ruben leads Energy Optimization at GLENCORE Copper. GLENCORE in Chile owns Minera Lomas Bayas and Altonorte smelting facilities near Antofagasta and has a 44% ownership of Compañía Minera Doña Inés de Collahuasi (with independent administration).

Ruben is specially interested in energy, energy efficiency, renewable energies, H2, decarbonisation and sustainability.

**Zhiqiang Wang, Ph.D.**

Lithiative - Corporación América de Desarrollo del Litio | President

[wzhq@lithiative.com](mailto:wzhq@lithiative.com)

Lithiative is a platform for promoting Green Lithium Initiatives implementing clean technologies such as DLE in the lithium industry. The particular interests are technologies, meeting with local and ministry authorities as well as electromobility.

**Carlos Silva**

Ministry of Mining Chile | Head of the Strategy and Mining Public Policies Division

[csilva@minmineria.cl](mailto:csilva@minmineria.cl)

Carlos leads the Strategy and Public Policies Division at the Ministry of Mining. The Ministry recently launched and is currently developing different strategies such the National Lithium Strategy, National Strategy for Strengthening Smelting and Refinery Capacity, the Climate Change Mining Sectorial Plan and the Small-Scale Mining Promotion Policy, among others.

**Dr. Josefa Ibaceta**

Red INVECA | Directora

[josefa.ibaceta@gmail.com](mailto:josefa.ibaceta@gmail.com)

7

Josefa is director of Red INVECA, a German-Chilean independent, non-governmental and interdisciplinary organization with a multidisciplinary team of researchers. She has an PhD in Electrical Engineering from the Technical University of Berlin and a Master degree in Mechanical Engineering from the University of Chile. Expert in decarbonization projects and technology transfer, specializing in the integration of solar energy in processes and the hydrogen value chain. She is also a trainer for human capital formation.

Supported by:

on the basis of a decision  
by the German Bundestag

Deutsch-Chilenische  
Industrie- und Handelskammer  
Cámara Chileno-Alemana  
de Comercio e Industria

## COMMUNICATION

8

### **Leonor Abujatum**

Content Manager | AHK Chile

[labujatum@ahkchile.cl](mailto:labujatum@ahkchile.cl)

Chilean-German philologist, historian and political scientist, she rejoined the AHK Chile team in 2021, two decades after completing her first internship during highschool in the same premises. Nowadays, she's responsible for creating communicational content related to the diverse projects across AHK Chile's different areas. Having studied in Potsdam and lived in Berlin, she'll offer valuable tips for our trip's final leg.

### **Nicolás Fernández**

Founder | Estudio Quantico

[nicolas@estudioquantico.cl](mailto:nicolas@estudioquantico.cl)

Political scientist. Former Director of Congreso Futuro (2017-2023). Founding partner of Quantico, a company specializing in political strategies and strategic communication in science and technology projects. Director of technocreative projects, focusing on the use of artificial intelligence for social purposes.

### **Rafael Merino**

Filmmaker/Producer | Estudio Quantico

[rafaelmerino@gmail.com](mailto:rafaelmerino@gmail.com)

Audiovisual producer, specialist in the design and execution of multiplatform communication strategies and the development of audiovisual campaigns.
