The MTB Angol Sports Club is pleased to invite all athletes to participate in the International Chile UCI Class 2 XCO Cup, with the sponsorship of the "Municipality of Angol", Forestal Mininco and MundoBike Specialized to be held on February 03 2019.

- Introduction.

Chile International Cup UCI class 2 is an Olympic Cross Country date and is inserted in both the international UCI calendar and the Calendar of the Cycling Federation of Chile.

ANGOL is a provincial capital of the Araucania region. It is located in the center of the region and at the foot of the Nahuelbuta Mountain Range. Close to this city, there are several of the great cities of southern Chile: Concepcion (150 km), Temuco (160 km) and Los Angeles (60 km) and 540 km from the capital.

Because of its mountainous geographic characteristics and temperate rainy climate, Angol is an ideal place to practice MountainBike. It is surrounded by green mountains covered with vegetation, among conifers and native forest, which gives it a special charm. The place where the circuit is located is a large property owned by Forestal Mininco, 10 minutes from the city center, in the direction of the Nahuelbuta National Park. In this precinct, is planned the largest Bike Park in the area, sponsored by Forestal Mininco.
